INTERNSHIP

AWS Intern

Brain O Vision Solutions (India) Pvt Ltd

- Attended an intensive one-month workshop focused on AWS, gaining practical experience in cloud computing concepts.
- Implemented EC2, S3, and RDS for scalable infrastructure and secure deployment.
- Acquired hands-on experience in deploying virtual servers, storage solutions on AWS cloud platform.
- Managed S3 storage and RDS databases, ensuring efficiency and high availability.

Salesforce Developer Catalyst

Smart Bridge

- Developed strong understanding of salesforce platform architecture and its key components.
- Implemented admin tasks, security measures and flows.
- Designed workflows and automation, leveraging Apex and Visualforce for enhanced functionality.
- Optimized declarative vs. programmatic customization for efficient implementation

PROJECTS

A Secure Data Communication in IoT Through Lossless MFAE Algorithm

sept 22- Feb 23

- Developed a secure communication framework for IoT using MFAE Algorithm.
- Designed and implemented MFAE algorithm for data integrity.
- Evaluated algorithm's performance and security.
- Integrated solution into existing IoT architectures.

Student management system

Dec 24 - April 25

- Designed and developed a Student Management System using Object- Oriented Programming (OOP) principles such as Encapsulation, Inheritance, Polymorphism, and Abstraction.
- Used Encapsulation to secure student records and maintain data in- tegrity through getters and setters.
- Applied Inheritance to create specialized classes extending from a base Student class.
- Utilized Polymorphism to manage different grading and fee calculation methods across student types.
- Designed Abstraction layers to separate business logic from database operations for scalability.
- Integrated basic CRUD operations for managing student and course information.

SKILLS

Technical Skills

- Java
- HTML
- MySQL
- AWS
- MS-Excel
- Networking

Professional Skills

- Communication
- Team Work
- Leadership
- Time Management

EDUCATION

- B.Tech in Computer Science and Engineering
  Avanthi Institute of Engineering and Technology
  Aug 2019-April 2025
- Intermediate
  Sri Chaitanya Junior College
  Jan 2017-May 2019
- Secondary School
  Fort City School
  April 2017

CERTIFICATIONS

- Cloud Computing- NPTEL.
- Software Development Fundamentals- Microsoft.
- Salesforce Developer catalyst (Trailhead).
